2010 Fund Raising to support, Diabetes UK Newark Support Group

Dear Sir/ Madam,

May we thank you so much for your past support.

Once more we are at the time of year, when we need to organise Fund Raising Events to keep the Newark Group, up and running for the good of those people suffering this life threatening disease.

We cannot do this without finance, and we rely on people like you to give us the support you can however small.

We ask for you to support us by donations, prizes for our stalls: (Tom Bola, Raffle, White Elephant stall etc....) or in any other way you can.

Thanking you in anticipation,

Margaret Douglas
(Chairperson)
